RE: Application of Dominion Energy South Carolina, Inc. for Adjustment of
Rates and Charges (See Commission Order No. 2020-313)
Docket No. 2020-125-E

Dear Ms. Boyd:

On July 13, 2020, Dominion Energy South Carolina, Inc. ("DESC" or "Company") filed a notice with the Public Service Commission of South Carolina ("Commission") advising that the Company intends to file an application seeking adjustments in DESC's retail electric rate schedules and tariffs. The purpose of this letter is to inform the Commission that DESC will not file any quarterly rate of return reports for its retail electric operations – beginning with the quarter ended June 30, 2020 – during the pendency of this docket.

When DESC files its application in this docket, the application will contain information that the Company typically includes within its quarterly reports filed with the Commission. Therefore, DESC is informed and believes that the application will comply with the Company's quarterly reporting requirements. After the Commission issues its final order in this docket, DESC will resume filing rate of return reports for its retail electric operations with the Commission beginning with its quarterly rate of return report for the quarter ended March 31, 2021, which must be filed on or before June 15, 2021.

If you have any questions, please advise.

Very truly yours,
